Opting Out

We also may share information about you within our corporate family of office(s). We may share all of the categories of information we gather about you, including identification information (such as your name and address), credit reports (such as your credit history), application information (such as your income or credit references), your account transactions and experiences with us (such as your payment history), and information from other third parties (such as your employment history).

By sharing this information we can better understand your financial needs. We can then send you notification of new products and special promotional offers that you may not otherwise know about. For example, if you originally obtained a mortgage loan with us, we would know that you are a homeowner and may be interested in hearing how a home equity loan may be a better option than an auto loan to finance the purchase of a new car.

You may prohibit the sharing of application and third-party credit-related information within our company or any third-party company at any time. If you would like to limit disclosures of personal information about you as described in this notice, just check the appropriate box or boxes to indicate your privacy choices.
