

# Self-Employed Income Analysis

Borrower Name \_\_\_\_\_

Property Address \_\_\_\_\_

**General Instructions:** This form is to be used as a guide in Underwriting the Self-employed borrower. The underwriter has a choice in analyzing the individual Tax return by either the Schedule Analysis Method or the Adjusted Gross Income (AGI) Method. The Schedule Analysis Method derives only self-employed income by analyzing Schedule C, D, F, K-1, and 2106. Non-business income such as dividends, interest, and rental income should be summarized separately on the loan application.
